- NOTE:- 1. No drainage work should be commenced by a licensed drainage contractor until the plans submitted by him are approved. It is an offence to commence work before the plans are approved.
2. This application form properly filled up and signed must be forwarded in duplicate to the Drainage Engineer, Water Supply and Drainage Department, Colombo.
3. The applications must be accompanied by plans and sections in duplicate (one copy to be on linen) showing fully the work proposed to be done.
4. The plans and sections may be drawn on page 2 of this application form or on paper and tracing linen affixed thereto.
5. When the proposed work has been approved one copy of the application and plans signed by the Municipal Commissioner will be returned to the applicant and may be taken as the Municipal Commissioner's permission to execute the work. This copy must be kept on the premises during the progress of the work.
6. The second copy of the application and plans will be retained by the Municipal Commissioner.
7. In preparing the plans the instructions given on page 2 of this form must be complied with.
8. It is suggested that no payments be made to contractors without obtaining a proper receipt.

INSTRUCTIONS TO CONTRACTORS IN PREPARING PLANS

1. If the plans are not drawn on this form one copy (which will be retained by the Municipal Commissioner) must be on the tracing linen.
2. The plans must be drawn to a scale of not less than 20 feet to one inch and must clearly indicate the nature of the work to be done and position of the premises and the adjoining buildings.
3. Existing buildings and drains must be shown in black and new work coloured red.
4. The means for the disposal of rain-water must be clearly indicated.
5. The materials, size and gradient to be given of each length of drain.
6. The depth of the intercepting trap below ground level must be shown.
7. The proposed means of water supply must be shown or stated.
8. The following abbreviations may be used :-

Interception Trap - I. T.	Inspection Chamber - I. C.	Ventilators - V	Soil Pipes - S. P.
Closet (European) - W.C.	Squatting - S. W. C.	Urinals -U.	Gullies - G.
