

**DUPLICATE**

**SECTION 1**

**CONDITIONS OF CONTRACT**

**OPERATION AND MAINTENANCE OF TOILET AT NO 80, MAIN STREET,  
COLOMBO 11**

**1. Work**

Colombo Municipal Council has initiated the project for infrastructure development in CMC area under the Metro Colombo Urban Development Project guidance by Ministry of Defence & Urban Development. In this context, CMC has proposed and now already constructed 11 numbers of public toilets in the high standard level to serve the majority of floating population and communities in the city of Colombo.

The works consists of cleaning and maintenance of the public toilets which includes all janitorial services, security & safety of the toilets and maintenance work such as replacement of bulbs, sanitary fittings, water fittings, doors & door locks, rectifying water leaks, communicate with utility agencies in the case of service interruption.

The Contractor shall collect CMC approved fee from the users of these toilets.

**2. Contract Period**

Contract period will be 24 months from the date of handing over the toilets by Colombo Municipal council.

**3. Performance security**

Selected bidder (contractor) shall provide a performance security of Rs. 25,000.00 for each toilet. This can be deposited in cash in Colombo Municipal Council or submitted as a Bank or insurance guarantee. This guarantee shall be on demand unconditional and shall be valid for a period of 25 months from the date of letter of acceptance. The guarantee shall be addressed to Municipal Commissioner. This performance security shall be forfeited for violation of conditions in the agreement and or Deputy Municipal Commissioner (Engineering Services) will be of the view that the performance of the contractor is not satisfactory. The performance security shall be submitted at the time of signing the agreement. Agreement shall be signed within 28 days of the date of Letter of Acceptance.

**4. Additional security deposit**

Selected bidder (contractor) shall provide a security deposit of Rs. 100,000.00 for each toilet. This can be deposited in cash in Colombo Municipal Council or submitted as a Bank or insurance guarantee. This guarantee shall be on demand unconditional and shall be valid for a period of 25 months from the date of letter of acceptance. The guarantee shall be addressed to Municipal Commissioner. This security deposit shall be demanded to recover damages causes to the toilets. This security deposit shall also be submitted at the time of signing the agreement.

**DUPLICATE**

**5. Electricity & water bills**

Electricity and water bills of the toilet shall be paid by The Contractor

**6. Award of Contract**

Successful bidder will be selected on an evaluation done by the technical evaluation committee appointed by the Municipal Commissioner.

The award of the contract will be based on most economical bid price and experience of the bidder for which bidder shall submit documentary proof. Those who have experience in cleaning, maintenance, operational activities and janitorial services will be given priority.

**7. Execution of the Contract**

Colombo Municipal Council will then issue a Letter of Acceptance that will contain the basic terms and conditions of the contract. The notification of Letter of Acceptance will constitute the formation of contract.

**8. Signing of the Agreement**

On the acceptance of the award and agreeing to fulfill all the requirements, the successful bidder will enter in to a contract with the Colombo Municipal Council by signing the agreement within 28 days from the date of award.

**9. Date of Commencement of Work**

The successful bidder shall commence work after receiving letter of award from a date decided by the Deputy Municipal Commissioner (Engineering Services).

**10. Contractor's Obligation**

**10.1 Sequence of Cleaning**

**10.1.1** General cleaning should be carried out daily. It should follow a systematic sequence to avoid areas, which were previously cleaned from becoming wet and soiled again before the cleaning process is completed.

**10.1.2** The general cleaning should be divided into spot and thorough cleaning. Spot cleaning refers to the process whereby only specific areas are cleaned (i.e. those that are soiled). Thorough cleaning refers to the cleaning of the entire toilet and is usually carried out twice a day.

**10.1.3** The sequence of cleaning should follow this checklist:

- (a) Replace all expendable supplies
- (b) Pick up litter and sweep floor
- (c) Clean and sanitize commodes and urinals
- (d) Clean and sanitize basins
- (e) Clean mirrors and polish all bright work
- (f) Spot-clean walls, ledges, vents and partitions
- (g) Wet-mop floors and ensure dry floor.
- (h) Keep toilet illuminated/replace burnt bulbs.
- (i) Display any warning signs where necessary indicating wet floors.

**DUPLICATE**

**10.1.4** An inspection card with above checklist should be used in the supervising and monitoring of the daily maintenance of the toilet. This card should be placed at the back of the entrance door to the toilet. These checks shall be done at least thrice a day specially during the peak hours. Supervisor should check and sign the card after each inspection.

**10.1.5** The timing and frequency of cleaning should be determined by the crowd flow. Cleaning should be done more often during peak hours and less during off-peak hours. Frequency of cleaning is usually determined by expectation and standard of maintenance required by CMC. That is all parts of the toilet should be kept clean and in a conducive environment for users throughout the operational hours. High quality chemicals, disinfectants scents/air fresheners as described below;

Wall/Floor (ceramic, granite and marble tiles)	Use neutral-based cleaners or disinfectants. Do not use acid-based cleaners on marble.
Glass/Mirror	Use ammonia or neutral based cleaners
Sanitary Wares	Use disinfection cleaners
Stainless steel/Chrome	Use stainless steel /chrome polish
Plastic/PVC	Use ammonia or neutral based cleaners

**10.4** Washroom inspection card will be issued by the Colombo Municipal Council. Representatives of Deputy Municipal Commissioner (Engineering Services) from Works Division of Colombo Municipal Council shall make daily site visits to the toilet. Each time when visited, the performances of the contractor are judged and if unsatisfactory as per wash room inspection card a penalty of **Rs. 2,000.00** will be charged from the Contractor for each inspection.

**10.5** The Successful bidder shall maintain a log book for each toilet locations. This log book shall always be available at each toilet locations for log entries and if the log book is not available for log entries and reference, a penalty of **Rs. 5,000.00** will be charged from the Contractor for each inspection.

**10.6** The Successful bidder shall keep all of his belongings such as equipments, tools, materials etc. in a place provided for such purpose so that such items are not visible to users.

**10.7** The Successful bidder shall inform Deputy Municipal Commissioner (Engineering Services) for any damages happen to any part of the toilet so that it can be rectified. Colombo Municipal Council will rectify the same.

**DUPLICATE**

- 10.8** The Successful bidder shall not do any structural alterations or additions to public toilets.
- 10.9** The Successful bidder shall not sublet the public toilets to any person for maintenance & operation.
- 10.10** The Successful bidder shall not use public toilets for any residential purpose or storage.
- 10.11** The Successful bidder shall not use or not allow anybody to use the public toilet for any illegal/unauthorized activities.
- 10.12** The Successful bidder shall hand over the possession of the public toilet in the same state as at the commencement of the contract in case of termination of contract or at the end of the period of the contract. A reasonable wear and tear may be accepted.
- 10.13** Toilets shall be kept opened from 5.00 a.m. to 9.00 p.m. every day. In Places, where community uses toilets should be kept open for 24 hours. These opening times shall vary from time to time and any change of time is to be decided by Deputy Municipal Commissioner (Engineering Services) of Colombo Municipal Council, the contractor shall not be paid any full or partial losses occurred in such cases.
- 10.14** The Successful bidder is fully responsible for the Security and safety of each toilet locations within the whole period of contract.
- 10.15** The Successful bidder's staff at these toilets shall cooperate with the users very politely and cordially.
- 10.16** Only ladies shall be employed for ladies section of each public toilet for works.
- 10.17** The contractor shall allow respective District Engineer or Medical officer of health or their staff or any other authorized officer to inspect the public toilet during the Contract period. Respective District Engineer shall submit a monthly report to Director Engineering (Works) with a copy to Director Engineering (Projects) regarding the condition of each toilet and performances of the contractor in each toilet.
- 10.18** Colombo Municipal Council shall have the right to terminate the contract in case of breach of any conditions laid herein.

**DUPLICATE**

- 10.19** The Selected bidder shall not be allowed whatsoever to execute any other work or business in the toilet locations and should not allow any person/party to reserve any toilet.
  
- 10.20** The successful bidder shall be responsible to ensure that their employees will be courteous and obliging to ensure proper behavior and will be responsible to ensure above effectively. However council will keep on records such complains in future reference and to disqualify for future tenders of this nature.
  
- 10.21** The successful bidder shall replace all the taps, showers, bidet sprays when those are broken.
