Bids for Maintenance of Internet / Email Servers, Tape Drive and NAS

SPECIFICATIONS

1. INTRODUCTION

Before 2018, there was no any proper official email system in CMC. As a very significant institution in the heart of Sri Lanka, it is very important to have an official and well organized email system. By considering that and many other factors it was decided to procure email servers with the council approval in 2017 and through an open tender publishing by the Procurement Department.

3. HISTORY

These email servers were procured and commissioned in 2018 and still those are functioning well. With those servers most of the officials including the H.W. Mayor and the Municipal Commissioner could have a well secured email service. Fir last 3 years all those three (03) servers are under warranty.
