**PUBLIC PRIVATE PARTNERSHIP (PPP) PROJECT**  
**ON ADVERTISING AND MAINTENANCE OF 250 BILL BOARDS**  
**IN THE CITY OF COLOMBO**

Colombo Municipal Council  
Municipal Engineer's Department  
Traffic Design and Road Safety Division /Project Management Division  
Town hall  
Colombo 07

**2022**

**Section 1**

**INSTRUCTIONS TO BIDDERS**

**1 The Employer's Name and address**

The Employer is

Name : Colombo Municipal Council.

Address : Town Hall, Colombo 07

On whose behalf the Mayor or the Municipal Commissioner and their successors in office.

**2 Scope of the Work**

Private public partnership (PPP) project initiated by Colombo Municipal Council are aimed at increasing the efficiency of infrastructure project by means of long-term collaboration between the public sector and private sector. In such projects the holistic approach which extends over entire lifecycle of the project is important to lay down.

PPPs are long-term partnerships to deliver assets and services under the planning of public services and expected outcomes towards the community. The structure of the PPP links private sector profitability to sustained performance over the long term, yielding robust and attractive cash-flows for investors in return for delivering better value for money to the ratepayers in the City of Colombo.

The bill boards are essential requirement for delivery of information in a developing and commercially vibrant city. The Colombo Municipal Council in its ongoing interest to beautify the city of Colombo to international standards seeks to introduce Bill Boards of a functional nature to meet with the ever-growing demands of its rate payers and visitors to the city. Bill Boards have transformed from being used as a product predominantly for advertising to more aesthetically pleasing designs with minimal advertising. Modern cities continue to pay more attention to architectural buildings, parks with open spaces and monuments to highlight the diversity of its population, the culture and history of a city.

Colombo today is one of the cleanest cities if not the cleanest city in the region. The maintenance of Streets, Pavements and Bill Boards have played a key role in transforming the city to have a clean reputation. By strictly monitoring the ongoing beautification projects in the city the CMC has been able to set the benchmark for others to follow. Bidders will be expected to perform regular maintenance and prompt repairs to ensure that the bill boards mirror the vision of the CMC which strives to provide its citizens a clean, efficient city and service. The CMC expects potential bidders to propose innovative designs with minimum display of advertising and propose a sound

maintenance plan. Bidders will have to ensure that this project sets the standards similar to projects currently being executed by the Colombo Municipal council, where other municipalities and authorities all across the country are following the similar model.

As part of the PPP contract the CMC shall allow to use the permitted space for advertising within the structure of bill boards and in return contractor shall pay an annual rent to the Colombo Municipal Council.

**The type of existing Bill Boards shall be structurally similar to the attached Schedules of Drawing of Bill Boards.**

The maintenance of bill boards, and its structure will be the sole responsibility of the contractor, and maintained in keeping with following standard.

- (a) No dust or shading at any time and contractor shall decide upon the adequate frequency of washing and cleaning of the elements of the bill boards and keep informed on the programme of cleaning to the Director Engineering (Traffic Design and Road Safety)
- (b) No corrosion or formation of rust any steel element during the period of contract and any such occurrence shall be rectified with immediate effect with the notice of Director Engineering (Traffic Design and Road Safety). The corrosion protection methodology is attached along with Technical Specification. The contractor shall follow the Technical Specification in rectification of corrosion and rust formation and attend the work with immediate effect with no cost to the Colombo Municipal Council. The contractor shall employ a competent technical team to maintain in aforesaid condition of all bill boards.
- (c) In the event of any damages the contractor shall attend to the repairs with similar material with no cost to the Colombo Municipal Council
- (d) Regular cleaning and washing to assure that the all surfaces are maintained to the cleaned condition and the frequency and material and methodology shall be submitted by the contractor.

The contractor shall give advance notice to the Director Engineering (Traffic Design and Road Safety) of the CMC and obtain prior approval for carrying out maintenance of bill boards. The contractor shall ensure that a proper liaison is always maintained with the relevant staff of the CMC and Police. Contractor will be responsible to replace all structures at all occasions arising out of accidental damages or vandalism not limiting to number of events at no cost to CMC.

The contractor is responsible for maintain entire PPP project during total contact period.

2.1 The selected contractor will be expected to carry out followings.

- i. Keep bill boards clean as explained in the scope of work.
- ii. The Contractor is responsible for Maintenance of bill boards, and the advertising Panels as mentioned in the scope of work. In this respect the contractor shall employ a competent technical team headed by an engineer for this scope. The details of the same team shall be submitted under the qualification information.
- iii. The size of the advertising on the top panel shall allowed and the bill boards shall be displayed in the bottom panel. The architecture of the same panel shall be accepted by The Director Engineering (Traffic Design and Road Safety).
- iv. The content of the advertising panel should be approved by the Director Engineering (Traffic Design and Road Safety)
- v. The contractor has to provide yearly report from a Recognize Structural Engineer by the Institution of Engineers, Sri Lanka for the stability, safety and the durability of each bus shelter structure within first three months of each contact year.
- vi. Neither additional panel nor an encroachment or advertising is permitted and limited to the types of bill boards as schedule of drawings of Bill Boards. The contractor has no right to occupy or rent or lease this bill boards or ground space.
- vii. Pay an annual rental to the Colombo Municipal Council as per the price schedule. The annual rental for the first contract year shall be paid on or before the commencement date of the Contract and annual rental for second and third year shall be paid one months before the commencement of each contract year.

### **3 Duration of Contract**

- 13.5 The bid securities of unsuccessful bidders will be returned, after the signing of the agreement with successful bidder.
- 13.6 The bid security of the successful bidder will be returned when the bidder has signed the agreement and furnished the required performance security.
- 13.7 The bid security may be forfeited
- a If the bidder withdraws his bid during the period of bid validity;
  - b If the bidder does not accept the correction of arithmetical mistakes of his bid price.
  - c In the case of successful bidder, if he fails within the specified time limit to sign the agreement and furnish the required performance security.

### **14 Contents of the Bidding Document.**

- 14.1 The Bidding Document are those listed below, and shall be read conjunction with any addendum issued.
- a) Section I: Instructions to Bidders
  - b) Section II: Condition of contract
  - c) Section III: Technical Specification
  - d) Section IV: Form of Bid
  - e) Section V: Form of Price Proposal
  - f) Section VI: Form of Qualification information

g) Section VII:Schedules

**15 Clarification of Bidding Documents**

15.1 A prospective Bidder requiring any clarification of the bidding document may notify in writing to the following address.

Director Engineering (Traffic Design & Road Safety)

Traffic Design & Road Safety Division,

Colombo Municipal Council

Town Hall

Colombo 07

Fax- 011 2694593

e-mail- dirtraffic@colombo.mc.gov.lk, udkama@yahoo.com

The Employer will respond to any request for clarification, which he receive earlier than 07 days prior to the dead line for submission of Bids. Copies of Employer's response will be forwarded to all purchasers of the bidding documents, including a description of inquiry but without identifying its source.

**16 Amendments of Bidding Document**

16.1 At any time prior to the deadline for submission of Bids, the Employer may amend the bidding document by issuing addendum.

16.2 An addendum thus issued shall be part of the bidding document, and shall be communicated in writing to all purchasers of the bidding document.

16.3 To give prospective Bidders reasonable time in which to take an addendum into account in preparing their Bids, the Employer shall extent as necessary the deadline for submission of Bids. This will be at sole discretion of the CMC.

**17 Deadline for Submission of Bids**

Bids must be placed in the tender box provided in the room of Municipal Secretary, Colombo Municipal Council, Town Hall, Colombo 7 not later than 10.00a.m on 29.04.2022.

**18 Late Bids**

Any bids received by the Employer after the deadline for submission of bids prescribed in will be rejected and returned unopened.

**19 Opening of Bids**

The price proposals submitted by the bidders will be opened and consider for preliminary examination of bids and detail evaluation thereafter based on the outcome of the preliminary examination.

The tender box will be opened immediately after the closing of tenders.

**20 Project Inspections and Visit to the site of Bus ShelterFacilities.**

- 20.1 Bidders may carry out the inspections of the designated bill boards at any time at their own cost.
- 20.2 It is desirable that each Bidder submits its proposal after visiting the site and ascertaining for themselves the location, surroundings or any other matter considered relevant by it.
- 20.3 It would be deemed that by submitting the Proposal for Tender, the Bidder has:
  - a Made a complete and careful examination of terms & conditions / requirements, and other information set forth in this Tender document.
  - b Made a complete and careful examination of the various aspects of the Project including, but not limited to:
    - i Condition of the existing bill boards
    - ii The uncertainty and risks involved.
    - iii All other matters that might affect the Bidder's performance under the terms of this Tender document.
- 20.4 The Employer shall not be liable for any mistake or error on the part of the Bidder in respect of the above.

**21 Format and Signing of Bid**

- 21.1 The Bidder shall prepare one original of the documents comprising the Bid as described in Clause 14 of these Instructions to Bidders. In addition, the Bidder shall submit a copy of the Bid, as described in clause 14. In the event of discrepancy between them, the original shall prevail.
- 21.2 The original and the copy of the Bid shall be signed by a person or persons duly authorized to sign on behalf of the Bidder. All pages of the Bid where entries or amendments have been made shall be initialed by the person or persons signing the Bid.
- 21.3 The Bid shall contain no alterations, omissions, or additions, unless such corrections are initialed by the person or persons signing the Bid.
- 21.4 Sealing and Marking of Bids
  - a The Bidder shall submit the Bid under two separately sealed envelopes marked as “ORIGINAL” and “COPY”.

- b the inner envelopes marked as “ORIGINAL” shall include;
  - i Invitation for Bid (section 1)
  - ii Condition of Contract (section 2)
  - iii Form of Bid (section 3) Bid should be submitted only in the form issue with tender documents.
  - iv Original Bid Security (As mentioned in item no.15)
  - v Certified copy of the Business Registration.
  - vi Article of Association and company Profile with details of Board of Directors
  - vii Any other related document.
- c the inner envelopes marked as “COPY” shall include;
  - i Invitation for Bid (section 1)
  - ii Condition of Contract (section 2)
  - iii Form of Bid (section 3) Bid should be submitted only in the form issue with tender documents.
  - iv Original Bid Security (As mentioned in item no.15)
  - v Certified copy of the Business Registration.
  - vi Any other related document.
- d All inner and outer envelopes shall be
  - i Be addressed to the "Colombo Municipal Council, Town Hall, Colombo 07 "
  - ii Include the name and address of the Bidder;
  - iii Bear the name of the Contract;
  - iv Provide a warning not to open before the specified time and date for bid opening as defined in the Instructions to Bidders
- e If the outer cover is not sealed and marked as above, the Employer will assume no responsibility for the misplacement or premature opening of the bid.

## **22 Evaluation Process**

The price proposals of all bidders shall be evaluated based on the highest revenue offered for individual locations in compatible with conditions of contract and forecasted revenue estimates and select the successful bidder accordingly.

Bids may be rejected for any one or more than one of the following reasons:

- a. If any altered and / or erasures are not authenticated and if there are any irregularities of any kind
- b. If they are conditional or incomplete.
- c. If they fail to comply with any of the requisite conditions.
- d. If a valid bid bond is not submitted along with the bid.

The CMC reserves the right to reject any or all tenders and waive any requirements when in the opinion of the CMC such rejection or waiver will be in the best interest of the CMC. In the event the CMC rejecting all tenders submitted, it reserves the right to re-advertise for new tenders.

### **23 Award of Contract**

- 23.1 Subject to clause 23.2 and clause 24, the Employer will award the contracts to the bidders whose bids have been determined to be substantially responsive to the bidding documents and who has offered the highest evaluated bid prices, provided that such bidders have been determined to be eligible and qualified in accordance with the provisions of the bid document.
- 23.2 Even though the bidders meet the eligibility and qualification criteria specified they are subjected to disqualify if they have;
- a) Made misleading or false representation in the forms, statements and attachments submitted in proof of the eligibility and qualification requirements; or
  - b) Record of poor performance in previous contracts, such as abandoning the works, inordinate delays resulted in payment of liquidated damages up to the maximum limit specified in the contract etc;

### **24 Employer's right to accept any bid and to reject any or all bids.**

The CMC reserves the right to accept or reject any bid or part of the bid and reject all bids at any time prior to award of Contract without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the CMC's action.

### **25 Notification of Award**

- 25.1 Prior to expiration of the bid validity period, The Employer will notify the successful bidders that their bids have been accepted including the contract prices. This letter (hereinafter and in the conditions of contract called the "Letter of Acceptance") will state the sum that the Contractor will pay the CMC in consideration of the execution, completion, and maintenance of the works by the contractor as prescribed by the contract.
- 25.2 The notification of award will constitute the formation of the contract.

### **26 Signing of Agreement**

Within 28 days of the notification of award the successful bidder shall subject to the successful completion of the provisions of clause 25 and 27 below as directed by the employer, enter into an agreement with the contractor.

### **27 Performance Security**

Within 14 days after receipt of the Letter of Acceptance, the successful bidder shall deliver to the Employer a performance security in the form of a bank guarantee for an amount equal to 5% of the total rental payable to council for contract period of three years.

**28 Government imposed changes in taxes and other.**

Bidder has to take into account taxes such as VAT must be indicated in the tender document

**29 Arbitration**

**30** All disputes arising out of the contract agreement should be dealt in accordance with the provisions of Arbitration Act. No. 11 of 1995.

Section II

## **CONDITIONS OF CONTACT**

### **1. Definition and Interpretation**

In these conditions and in the articles of agreement, except where the context otherwise requires, the following expressions shall have the meanings hereby described to them.

#### **1.1. Bidder/Tenderer**

A person or persons or firms/Companies and other Institutions submitting a tender or bid for. Main project is to advertise and maintenance of 250 Nos. Bill Boards in the city.

#### **1.2. Tender/Bid**

Public private partnership (ppp) project on advertising and maintenance of 250 bill boards in the city of Colombo.

#### **1.3. Contractor**

The successful bidder who has been awarded the contract to maintain and sell advertising on 250 Bill Boards in the city and maintain them.

#### **1.4. Conditions**

Means these conditions of contract

#### **1.5. Contract**

Means the agreement entered into between the council and the contractor embodying the articles of agreement, which are legally binding these conditions and the other documents listed in the schedule.

#### **1.6. Contract Document**

Means the documents comprising the contract. Documents comprising of five sections as noted in the title page together with financial statements. Business Registration information sheets and other documents as may be submitted by the Tenderer/bidder

#### **1.7. Council/CMCI Employer**

Means the Colombo Municipal Council in Sri Lanka

#### **1.8. Contract Standard**

**1.9.** Means such standard as complied in each and every respect with all relevant provisions of the Contract and where to the extent that no criteria are stated in the Contract, the standard is to be to the reasonable satisfaction of the Authorized Officer.

#### **1.10. Project Work**

Means the place where the Service or any part thereof is to be performed by the Contractor.

#### **1.11. DMC**

Deputy Municipal Commissioner (Engineering Service)

#### **1.12. The Project**

The project shall be formed to maintained two hundred and fifty bill boards and carry out advertising under PUBLIC PRIVATE PARTNERSHIP (PPP) PROJECT ON ADVERTISING AND MAINTENANCE OF BILL BOARDS IN THE CITY OF COLOMBO.

1.13. PPP (Project)

Public Private Partnership Project

**2. Communications**

- a Communication between parties shall be effective only when in writing. A notice shall be effective only when it is delivered.
- b The Employer may require the other to attend a management meeting in order to review the arrangements for future work. The Employer shall record the business of management meetings and supply copies of the record, responsibilities for any actions to be taken shall be in accordance with the contract.

**2 Law and Language**

The contract shall be governed by the laws of Democratic Socialist Republic of Sri Lanka and the language for all purposes for the contract shall be English.

**3 Priority of Documents**

- a The documents forming the contract are to be taken as mutually explanatory of one another. For the purposes of interpretation, priority of the documents shall be in accordance with the following sequence:
  - i The contract agreement (if any);
  - ii Memorandum of Understanding (if any);
  - iii The letter of acceptance;
  - iv The form of Bid; Form of price proposal;
  - v The conditions of contract;
  - vi Technical Specifications
  - vii The schedules; and
  - viii Any other documents forming part of the contract.
- b If the Employer or Contractor find any ambiguity or discrepancy in the documents, he shall immediately give the other written notice specifying the discrepancy. The Employer shall issue any necessary clarification or instruction on the ambiguity or discrepancy.

**4 The Employer's Name and address**

The Employer is

Name : Colombo Municipal Council.

Address : Town Hall, Colombo 07

On whose behalf the Mayor or the Municipal Commissioner and their successors in office.

**5 Scope of the Work**

**As mentioned in the instructions to Bidders**

**6 FORM OF CONTRACT**

**6.1 Sufficiency of information**

The Contractor shall be deemed to have satisfied himself before submitting his tender as to the accuracy and the sufficiency of the rates and prices stated by the Contractor in his tender

**6.2 Documents Mutually Explanatory**

Except as otherwise expressly provided, the Contract Documents are to be taken as mutually explanatory of one another. Any ambiguities or discrepancies shall be resolved by the Authorized Officer who shall thereupon issue to the Contractor appropriate instructions in writing and the contractor shall carry out and be bound by such instructions.

**7 Authorized officer**

The Authorized Officer shall be the Deputy Municipal Commissioner (Engineering Services), Colombo Municipal Council.

The Council shall forthwith give notice in writing to the contractor of the replacement of the Authorized Officer or if any person ceases to be the Authorized Officer.

**7.1 Date of Commencement of the Contract**

Contractor has to commence work on or before 21 days from the date of Letter of Acceptance.

**7.2 Contractor's Obligations**

During the Contract Period, Contractor shall provide the service in a proper skillful manner conforming to the contract standard to be in accordance with the written instruction and to the entire satisfaction of the Authorized Officer. The Authorized Officer shall have duty to act in a fair and reasonable manner having regard to the practicalities of the service.

Bidders should submit an action plan and the maintenance programme in this regard with the technical proposal.

Bidder's all programs/actions, which will be implemented, should be compatible with CMC VISION AND MISSION.

Under any circumstances structure of the bus shelter or advertising panel should not be used for any other purpose of advertising or campaign.

**8 Execution of the Contract**

Successful bidder will be selected by the tender Board after an evaluation by a Committee appointed by the Tender Board. CMC will then issue a letter of award that will contain the basic terms and conditions of the offer including following requirements. On acceptance of the award and fulfillment of all the requirements, the successful bidder will enter into a contract with the CMC by signing an Agreement.

**9 Performance Security**

The municipal Commissioner shall inform the contractor of such events in writing.

**15      Termination of contract**

The contractor shall commence the work and shall not abandons the works or otherwise plainly demonstrates the intention not to continue performance of his obligations under the contract. The sufficient notice shall be given on the breach of the contract, in accordance with the agreed terms and conditions as per the agreement. Finally, the letter of termination shall be issued with the concurrence of the Council.

**TECHNICAL SPECIFICATIONS****1 Corrosion control approach**

All steel elements shall be sufficiently and adequately protected from Corrosion / rusting and anti-corrosion system shall be as per International standard ISO 12944 or and ISO 9223. All shall refer to the Corrosivity Zones and be aware of the Loss of metals as specified in same. All shall refer to the Corresponding Corrosion zones and specified Minimum DFT (Dry Film Thickness) of the total paint Film. Engineer reserves the right to increase the DFT as per situational analysis.

**2 Surface preparations**

All ferrous Iron members shall be cleaned to ISO SA 2.5 surface standard Rz 40-70 Microns and free of all rusts and oils and contaminations. All Hot dip galvanized metals shall undergo Pre-Chemical cleaning process Caustic cleaning / acid pickling / water rinsing and Fluxing prior Hot Dip galvanizing For Electro Galvanized Tubes and Box bars shall be free of Oil / Grease and contaminations by fresh water washing and using oil cleaners and Detergents. In Coastal areas surface contamination Salt Sea Breeze water soluble layers shall be fresh water washed and cleaned prior paint applications.

**3 Selection of Coatings**

As Colombo City is Sunny / Hot / Sea Coastal and Monsoonal Rains and preference will be given for Protective and marine Coatings and all concerned shall be responsible to obtain Engineers approval and submit Product Data sheets and safety data sheets

Here are good guidelines for selections

**4 Primer coat for Marine City Conditions and dry hot temperatures of 100- 120 C**

- i) Product shall be of reputed Brands with availability of product data sheets to support the performance and volume solids preferred over 55%
- ii) Primers (1st coat) shall be suitable for applying DTM (Direct to Metal) of Ferrous and Nonferrous (Including GI) and guarantee adhesion.
- iii) Re-coatability is an essential criteria to prevent (Long Over coating maximums) to prevent Inter-coat detachments
- iv) Surface Tolerance capability should be ideal for Sire applications
- v) Per coat DFT above 75 Microns DFT to 200 Microns DFT without sagging
- vi) Each coat to have different color code for Inter coat identification
- vii) Pot Life of Epoxy resin and Hardener shall be having higher period say 3 Hours
- viii) No need to use sweep blasting of Zinc coat or No need use Etching primer (Phosphoric acid) or adhesion promotion etching which burn reduce the Zinc coat.

**5 Intermediate coat cum priming coat for Marine City Conditions and dry hot temperatures of 100- 120 C**

- i) Product shall be of reputed Brands with availability of product data sheets to support the performance and volume solids preferred over 60%
- ii) Good Build up properties and Good adhesion.
- iii) Re-coatability is an essential criteria to prevent (Unlimited or Very Long Over coating maximums) to prevent Inter-coat detachments
- iv) Surface Tolerance capability should be ideal for Sire applications
- v) Per coat DFT above 75 Microns DFT to 150 Microns DFT without sagging
- vi) Each coat to have different color code for Inter coat identification
- vii) Pot Life of Epoxy resin and Hardener shall be having higher period say 3 Hours
- viii) Good protections from Mild chemicals / and other corrosive external elements.

**6 Finish coat cum Coatings for Marine City Conditions and dry hot temperatures of 100- 120 C**

- i) Product shall be of reputed Brands with availability of product data sheets to support the performance and volume solids preferred over 54%
- ii) Good Build up properties and Good adhesion.
- iii) Re-coatability is an essential criteria to prevent (Unlimited or Very Long Over coating maximums) to prevent Inter-coat detachments
- iv) Good colour retention / Good colour retention / for site applications
- v) Per coat DFT above 55 Microns DFT to 60 Microns DFT without sagging
- vi) Each coat to have different colour code for Inter coat identification
- vii) Pot Life of Epoxy resin and Hardener shall be having higher period say 3 Hours
- viii) Good protections from Ultra-Violent Radiations and Mild chemicals / and other corrosive external elements.

Low solid products should be avoided as to achieve the Total DFT within 3 – 4 Coats.

**DUPLICATE**

For all purposes it is prudent to obtain certificate for all skilled paint applicators from Paint Manufacture's Training program as to achieve expected performance criteria. They should be knowledgeable to execute the correct procedures and should be able to read understand and execute the product data sheets and manufacturer's recommended procedures as approved the CMC Engineer.

Procedure to check and measure the DFT on the metal of the paint thickness should be a important responsibility for the advantage of all parties concerned. Please specify the agreed procedure.
